Donate clothes for the children. The kids smiled sheepishly in their clothes. They are surprised that there are people who are not close friends. But come and give them clothes, give their parents rice blanket. A little girl has asked me about that, I answered her, "My dear, there is still life in my life. Many people have a compassionate heart, compassion and hatred. Try to study, try to become a good person, not only to live well but also to help those who are more difficult, the less you are better off. I see no, these gifts, the clothes worn on the person is due to the BI brought to you."
