6. ***Give scholarship to Dong Thap, September 21 2014.***

Every year the problem of reporting student performance, Dong Thap is a good place to work Most in the regions. However, this is where students drop out of school the most because of too poor. Parents feel that studying in 9th grade is enough, they let their children go to school and work away to Help the family. Many families have abandoned their burial sites to other provinces wave. Others, they are easily sold to Laos and Taiwan.

The Society works very closely with the Social Welfare Society to find solutions. It is most effective to encourage Parents and help them to continue school. After Visiting and learning more about the difficulty of the people, Tu Bi Foundation decided We will consider and help 20 more students. Total number of students accepted Course 2014-15 is 40 students. The file is being sent to the US for processing.

Ladies and gentlemen;

The charity program is continuously being implemented from here until the end of the year. The association is not real Currently on charity program in the Philippines this year to help schools Damage caused by Haiyan storm. Nearly \$ 20,000 US, Tu Bi Foundation closed The 2013 donation has been used to build schools and build new start-ups Building. We promised to come to the Philippines when the school was

completed. Here are the The program will be visited and inaugurated in the coming time:

1. Inauguration 3 concrete bridge in Ca Mau, Dec 4-7, 2014:

Thanh Luong bridge 35M long by the village of Tu Anh (Advanced Surgery Center) donated; And the French Society The flower was donated to the 29 meter long French Bridge and Bridge Lien Hoa Long 22M. The total amount is US \$ 12,000. Rest local contributions **(pictures The amount of \$ 4000 was awarded by the Hon Compassion Society. We have to go to the bank to call please help count the money at mostly \$ 1 US).**

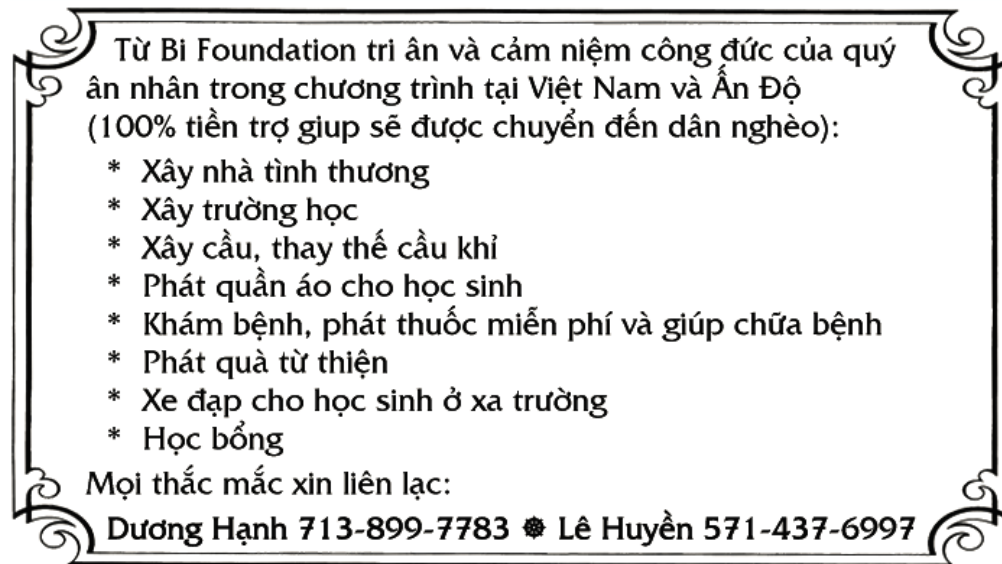

It is difficult to express emotions when we accept the amount of Uncle Mind sent Thanks to Compassion Foundation for building concrete bridges in Vietnam. Listen to you talk about The benefits in building bridges, schools should Uncle Ho are expected to make the this program. Uncle is out of 80, can not do anything to have money to help the poor At home. However, my compassion is boundless, and can not be generational Young we can keep up. Every day, Uncle came to Eden in Virginia, sitting begging passers who travel **"Amitabha Buddha, let tui 1 copper goes to charity, help poor people in Vietnam"**. Who can ignore this scene; Have at them I witnessed a guy who was over 100 years old with Uncle Mind to sit for money go to charity. We would like to pay homage to your heart Thanks to our implementation of these programs for the Lotus Society.

- 2. Visit Hoa Phu Primary School, children's library program**
- 3. Go to Cambodia, visit and gift the people of Vietnam living Exile next to the lake and the surrounding area, January 2015. Currently The budget is still limited, we would like to receive the donation that made the donation Be accomplished.**
