

Dear friends and benefactors;

Tu Bi Foundation - Vietnamese Temple, Houston-Texas sincerely grateful to Buddhist monks, nuns and Buddhists And close friends at Houston, California, Florida, Virginia, and Maryland committees Planned through the central flood relief program in 2016. Especially this year, we have received The contribution of Tam Bao Pagoda - Baton Rouge, Quan Am Pagoda - Tampa, Bao An Pagoda - Florida, Miami and Charity Group of VA Affection Inc.

Spirit of mutual support *"A piece of the hungry in the full package"*, traditional beauty Caring When the difficult of the Vietnamese is the beauty of the Buddha, true love of the Vietnamese people are Living away from home Total amount donated is: \$ 61,890.0 US. The Society has organized programs The relief is \$ 57,937.0 US. The remaining \$ 4,000 will be added to the charity to continue Helped places that were heavily affected by floods.

Ladies and gentlemen;

On January 24, 2017, three days later, Dinh Dau Tet, Tu Bi Foundation volunteers arrived Khanh Hoa Province - Nha Trang, along with Nien Minh Lien Tet gifts to poor people in the floodplain and 100 parts for patients with disabilities in 6 communes: Dien Lac, Dien Lam, Dien Phuoc, Dien Hoa, Dien Tho, Dien Loc. The place has experienced 6 floods from October to January 2017. Each portion is worth VND350,000. Gifts of disabled patients worth 400,000 VND.

Once again, as to let the delegation feel what the rain, a large rain has lasted 4 The clock, making the presentation of the delegation more difficult because the temple hall is limited, in quantity 600 people waiting to receive gifts. Received the gift but did not go home, because the rain was too big. Hard work Sit tight enough to wait for the rain to finish home. Rain is cold but volunteerism feels great Warm and happy knowing that she has rice, food to prepare for the new spring.

This is also the last flood commission of the association in 2016. In addition, the Association came in time to Shared by 76 families of alcoholics Nhat Tri Ward, Vinh Phuoc Ward Fire burns and is temporary Residence at Y College Dormitory Te Nha Trang. 100% of the property The temporary house on

the river was burned cancel. We were with the Buddhists here Local gift directly Up to 76 households, elderly people, each household with 2 envelopes and a jar of 600,000 VND. Help her I overcome difficulties in the tribulation and optimistic welcome Xuan Dinh Dau. This is a dish The priceless gift contained the love and concern of our benefactors living far from home incense. Here we are very moved to see the young men, also try to share sent Net gift, donated buckets, rice bags ... Life requires more hands and heart like. Please see form: <https://tubifoundation.shutterfly.com/2016/1148>

Along with the flood of lakes simultaneously floods made many provinces in the South The Central and Central Highlands are submerged in water, their people are fighting floods. A farmer named Trung, Binh Son, Quang Ngai, said: *"In the communes were flooded out of water, flooding many, fatal also, flooding All kinds of flowers. From Mo Duc to Nghia Hanh were flooded. This year, rice is flooded by people Keep up The flowers are 100% flooded always! "*

Volunteers will never forget the 2016 flood disaster in Central Vietnam Ever see the scene throughout the central provinces repeatedly repeated floods from October to the end December as this year. We often say: "Central star every year flood." We Has traveled many provinces, observed and felt sorry for the people of the Central, can not avoid the storm Annual flooding by terrain and hydropower discharge in localities; As well as the people of the Philippines It suffers from the storm every year and is considered as a constant, as a fate. It is difficult to imagine the fatigue and suffering of the poor people.

Thanks to direct visits and floods in the central provinces, programs from Tu Bi's goodness this year has been very pragmatic, to be able to help fellow part on the process okay Determined life. There are places where we give gifts of rice, noodles ... but there are places where we give money People buy seeds of rice, corn for planting. Provide water filters for schools and medical facilities Locally; schools

We learn, we deliver books, Water filter, jacket for students. The Kindergarten them We help blankets, quilts, pots Rice cooker Charity has Must be very flexible when Help the

regions, according to Needs of people at Each locality. Binh Dinh: Sugar is Split by flood.

Recently, after the first charity trip in Quang Binh and Quang Tri from 25 to 26 November, 2016 (report flood rescue phase 1) Until 24 December 2016 implementing compassionate new Foundation

Other relief programs because the provinces are constantly flooding, cars can not reach. Society must

Resumed the charity trip was on the program go to relief.

In order to timely help people in the flood area, the Association has divided 3 delegations to go to the delegation. Days 24 and 25 months May 12, 2016 when all families in the United States reunite together. In Viet Nam we have brought people Flood victims with meaningful gift from substance to spirit. Group 1, going to Quang Binh second phase; Group 2 goes to Binh Dinh; And group 3 to Phu Yen-Phu Mo.

Transfer to Phu Mo, an unforgettable memory for volunteers because of the difficult road Dangerous but very meaningful We sincerely thank them at the Vien Lam Pagoda in Phu Hoi - Phu Yen, Monk Tam Phuc and Ni helped them from the seminary God to matter makes us able to complete This difficult and arduous journey. Phu Yen torrential rain From October to December, no union can be formed To Phu Mo, where 80% of the ethnic minorities are poor households. This is Where students have to swim across the river to go to school. When water Whilst both teachers and students are placed in plastic bags Is taken across the river.

Many times waiting without being gifted so people have been rotten Releases and loses faith with the Kinh people. Some associations are expected Give gifts, but the floods have separated the roads, so do not

Have to go back and go play another place. December 25, 2016, It rains when we fly to Tuy Hoa, 2 hours

Lake to Phu Yen. Compassionate people only know in front of the altar Buddha and sincerely prayed to God Quan Yin, blessing The sky is closed so the delegation can carry out this delegation.

This is the river that students and teachers The teacher must swim to go to school / school in Phu Mai

In early December, once a gift was brought back because the road could not walk, now we are determined to go To reach the destination despite the difficult path to get there. We have catering mountains and crossing t 6 streams, with The only way to do that is to take a 2-crane truck to go to Phu Mo. Only 60 km, which takes 6 hours to move. However, this is one of the meaningful and meaningful relief trips

We are very happy and happy to bring meaningful gifts to the people: rice, Instant noodles, cooking oil, sugar. 306 students received jackets to fight the cold and 200 young students received New clothes See photo: <https://tubifoundation.shutterfly.com/2016/904>

(People and students are happy with the newly received clothes from the Society of Compassion)

Dear American Founation Association

Hai Tho Primary School-Hai Lang District- Quang Tri Province once again feel lucky Lucky and happy to receive a generous gift from the Society. Two water purifiers really make sense Teachers and school teachers in the flood days, water sources are not guaranteed. Teacher and student The school promised to use the right purpose and keep it long and lasting. Although Hai Tho Primary School is located Near the town of Hai Lang, people's lives are better than before, but Hai Tho students still There are many shortage of students, poor and near poor students in the school still many children. So The school is looking forward to meaningful gifts from the Association to the students. Once again send a message Thank you to the United States Founation Association.
