Visiting and presenting unlucky life in Vinh Long.

After presenting about the activities of families living with rubbish. The number of benefactors would like to use Tu Bi to give practical gifts to help people Poor people are more easily trashed have a more sanitary life to avoid illness. Temperature 41-42 C,

One
and
summer

smells can not stop. Their environment Living very polluted. We see the number of people rubbish day empty Than usual and they work night shifts. Each time I go to Vinh Long, Lieu is Dependent (LD) lying in the dust for a few days to regain strength. This time the flour Cooks, cooks, electric rice cookers, and flashlights on their foreheads so they can fit in Night trash. Everyone is happy and happy! They say this is a dish The gift they longed for.
